The project

The results

The objectives

The project is part of the Erasmus+ programme, a European Union initiative that aims to promote education, training, youth and sport.

Our project focuses on:

- Educating young people on digital transformation and the skills needed to navigate the online world.
- Countering misinformation and improving awareness on digital reputation.
- Involving schools and students in Italy, Poland and Romania to develop innovative training tools and models.

E-LEARNING MODEL

Interactive courses to acquire digital and transversal skills.

TRAINING TOOLKITS

Practical tools and materials for teachers and students.

EDUCATIONAL RESOURCES

Replicable content for projects in schools, associations and companies.

DEDICATED EVENTS

Workshops and conferences for discussion.

- Spreading awareness on digital reputation management.
- Sharing practical tools to counter misinformation.
- Promoting the acquisition of digital skills through innovative educational models.
